

Adobe Connect 11 Upgrade Information for Partner School Students

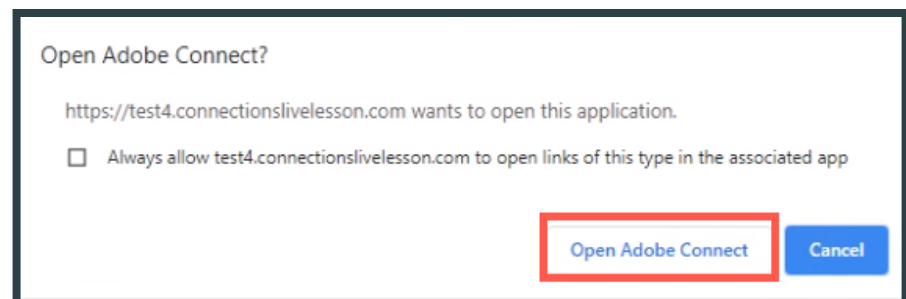

OPENING LIVELESSON® SESSIONS (Mac and Window Users)

1. Log onto your LiveLesson room on your Homepage.
2. You will see a pop-up window, Select Open in Application.

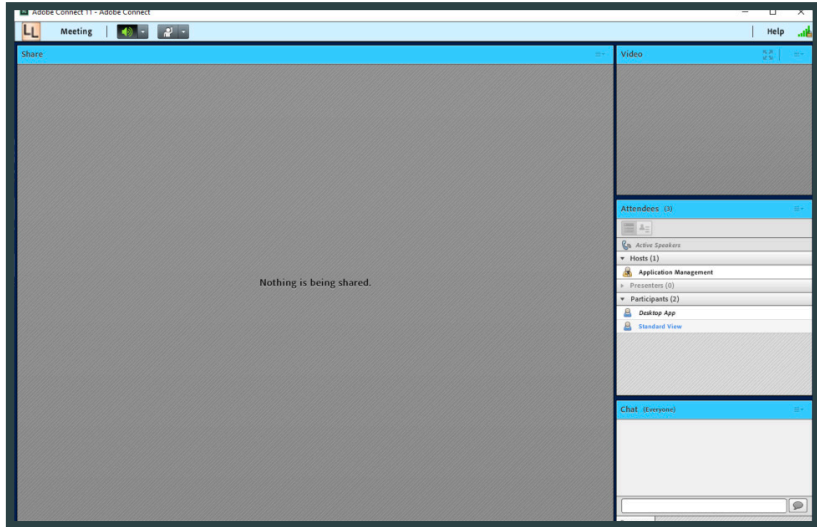

TIP: You can select **Remember my choice in this browser**

3. You will see the following pop-up window. Select Open Adobe Connect to open your LiveLesson room:

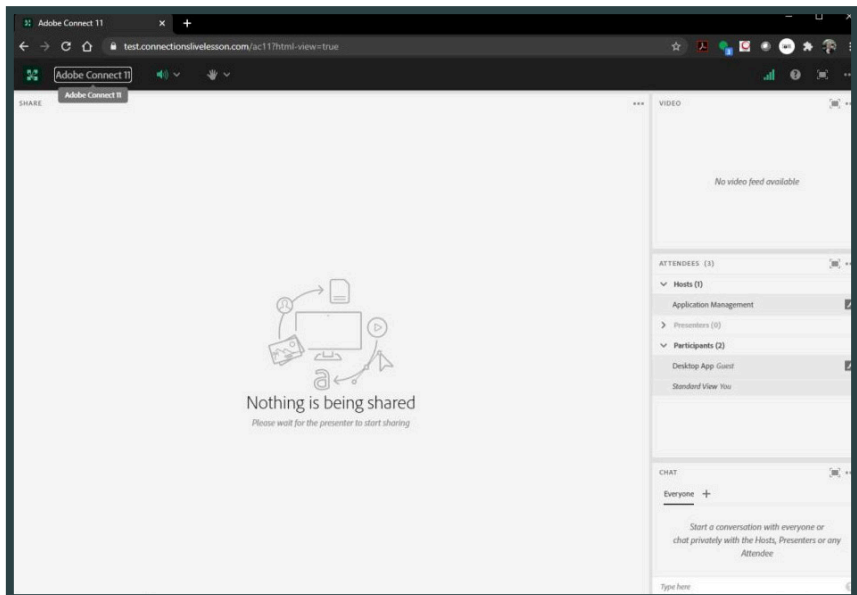

TIP: You can select **Always allow livelesson.com** to open links of the type in the associated app

4. Wait for your teacher to allow your entry to the session.

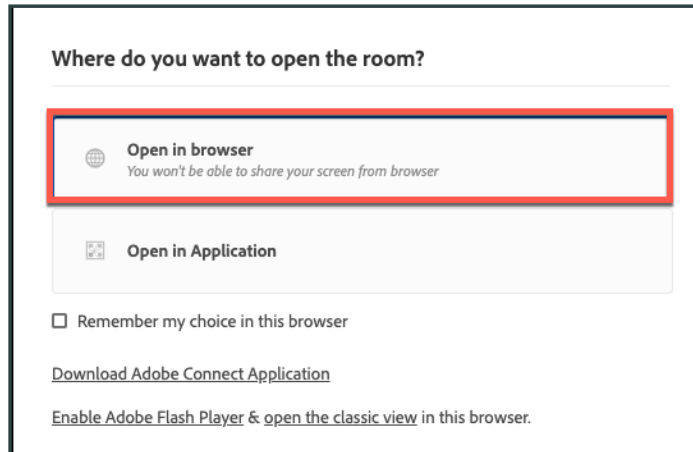

5. Note: Coming in 2021, the room appearance will change from "Classic View" to the "Standard View."

Standard view application

OPENING LIVELESSON SESSIONS (Chromebook Users)

1. Log in to your LiveLesson room from your student home page, as usual.
2. You will see a pop-up window. Select “Open in browser.”

TIP: You can select **Remember my choice in this browser**

3. Wait for your teacher to allow your entry to the session.
4. You will see this room in the new “Standard View,” which is slightly different than the previous “Classic View.”
